

# Low consumption air gun

## LSP-1/4-C

Part number: 184318

### Data sheet

| Feature                                               | Value              |
|-------------------------------------------------------|--------------------|
| Exhaust-air function                                  | Metered blowing    |
| Operating pressure                                    | 0 bar...10 bar     |
| Standard nominal flow rate (standardised to DIN 1343) | 120 l/min          |
| LABS (PWIS) conformity                                | VDMA24364 zone III |
| Sound pressure level                                  | 90 dB(A)           |
| Ambient temperature                                   | -10 °C...50 °C     |
| Product weight                                        | 125 g              |
| Pneumatic connection                                  | Female thread G1/4 |
| Material housing                                      | PA6 reinforced     |
